RAYHAN FAHLEVY

Bogor Regency | +6285710349056 | rayhanfahlevy@gmail.com

Enthusiastic and motivated fresh graduate with a Bachelor's degree in Computer Science. Have a strong foundation in programming languages such as JavaScript and Python, coupled with internship experience in a web developer position. Efficiently adapts to new technologies, demonstrates analytical thinking to resolve complex development issues, and eager to contribute in a dynamic team environment. Looking for an opportunity to apply academic knowledge and grow professionally in the field of software development.
